CONSORT 2010 checklist of information to include when reporting a pilot or feasibility randomized trial in a journal or conference abstract

Item	Description	Reported on line number
Title	Identification of study as randomised pilot or feasibility trial	**This trial is NOT randomized**
Authors *	Contact details for the corresponding author	14
Trial design	Description of pilot trial design (eg, parallel, cluster)	662
Methods		661
Participants	Eligibility criteria for participants and the settings where the pilot trial was conducted	662
Interventions	Interventions intended for each group	666
Objective	Specific objectives of the pilot trial	668
Outcome	Prespecified assessment or measurement to address the pilot trial objectives**	668
Randomization	How participants were allocated to interventions	**Nonrandomized**
Blinding (masking)	Whether or not participants, care givers, and those assessing the outcomes were blinded to group assignment	Nonblinded for VOR measurements
Results		198
Numbers randomized	Number of participants screened and randomised to each group for the pilot trial objectives**	**Nonrandomized**
Recruitment	Trial status†	N/A (not a conference abstract)
Numbers analysed	Number of participants analysed in each group for the pilot objectives**	904
Outcome	Results for the pilot objectives, including any expressions of uncertainty**	198
Harms	Important adverse events or side effects	198
Conclusions	General interpretation of the results of pilot trial and their implications for the future definitive trial	58
Trial registration	Registration number for pilot trial and name of trial register	663
Funding	Source of funding for pilot trial	1332
